GLYKON

Making its debut at USN in 2022, the Glykon is Microtech's newest OTF. Sporting a larger handle than the Ultratech and a bayonet blade, this piece makes for an excellent everyday carry no matter the situation. Its tri-sided button and option to reverse the pocket clip make it a great ambidextrous knife.

- Overall Length: 9.00"
- Blade Length: 3.75"
- Weight: 5.23oz
- Knife Type: Double-Action OTF
- Country of Origin: USA
